

A Community of Business Owners Building Florida Together

Florida Professionals Association (FPA) connects entrepreneurs, business owners, and professionals from every corner of the state, creating a space where collaboration fuels growth.

Launched in January of 2020, FPA has become the go-to community for those who believe in growing through connection, not competition. We bring Florida's business ecosystem together through education, visibility, and authentic relationships that lead to real results.

How We Connect

- Weekly Zoom Networkers: Morning and afternoon sessions that spark introductions, referrals, and friendships.
- Monthly Lunch & Learn Webinars: Educational sessions led by industry pros sharing practical insights.
- Digital Reach: Over 130,000 engaged professionals across FPA's Florida-based online communities.
- Private, Members Only groups to foster deeper relationships and collaboration

Who's in the Room

Business owners, service providers, and professionals across industries like real estate, finance, law, marketing, health, and construction — all growth-minded, relationship-driven, and proud to support one another.

FPA gives Florida professionals a statewide network, shared visibility, and the resources to scale smarter together.

Professionals in Paradise 2026

**Where Florida's Business Community Comes Together
July 30 – August 2, 2026 | Gaylord Palms Resort | Orlando, FL**

Professionals in Paradise (PIP) is FPA's signature annual conference – part business, part vacation, and all about connection.

It's four days of learning, networking, and celebrating with Florida's most engaged business owners and professionals.

Each year, attendees gather for workshops, panels, and unforgettable events that blend real education with genuine connection.

Why Sponsor PIP26

Sponsoring PIP is more than putting your logo on a sign — it's joining a movement that supports Florida's growing business community year-round.

Sponsors Gain:

- Access to hundreds of business owners and professionals eager to connect and collaborate
- Consistent statewide visibility through FPA's digital and social promotions
- A meaningful role in shaping the conversations and experiences at PIP26
- Long-term relationships that extend well beyond the weekend
